# WHAT'S COOKING

**A Collaborative Lunch for  
CSP Alum, BaseCAMPers, and Friends!**

Join us during this lunch time break to make new connections,  
swap stories, and learn what's coming up in 2025.

Whether you've been part of CSP or BaseCAMP, just curious,  
or suffering from FOMO – everyone is welcome!  
Grab your meal and head to our lunch room\*  
to network, socialize, and share input on InCommon programming.

\*Check the program for room details.
